Kepler-186f
TOI-700 e
TOI-700 d
Proxima Cen b
Teegardens Star b
Exoplanet
Sustains a present-day Earth magnetosphere
Marginal for present-day Earth ($B + 1\sigma \geq$ requirement)
Sustains an early Earth magnetosphere only
Sustains neither
Early Earth requirement (f = 1–15 per cent)
Present-day Earth requirement (f = 1–15 per cent)
f = 1, 5, 10 and 15 per cent
